Dated: 10-02-2006

In this petition, the petitioner has prayed for issuance of a writ in the nature of prohibition to restrain the respondents from assigning land bearing Survey No. 347 to third parties and from issuing patta certificates in favour of such parties.

Learned counsel for the petitioner submits that in view of the developments which have taken place during the pendency of the writ petition, the writ petition may be disposed of as infructuous.

Learned Government Pleader says that part of the disputed land had already been assigned to third parties in the years 1977 and 1979.

In view of the statements made by the learned counsel for the parties, the writ petition is disposed of as infructuous.
